### GENERAL INFORMATION

- Please **BE ON TIME** for all departure times including rest stops. We cannot hold the bus and the rest of the group to wait for late passengers. If you should miss a pick-up time, Greyhound offers regular service from the Port Authority Bus Terminal to Washington. (Note: You will not be reimbursed for this expense)
- Use of tobacco products or alcoholic beverages are strictly prohibited on the bus.
- This trip is a **TRANSPORTATION ONLY** trip. This means that once we get to New York City, you are free to explore the city on your own. Police officers are readily available and able to offer assistance with directions, etc.
- The drop-off point will be on 8th Avenue between 50th and 51st Streets. This will only be changed in the event of police direction or road construction. The departure point will be the same as the drop-off point. Please pay close attention to the location and any landmarks. Please listen to your bus leader carefully once you are in the city in case this location has to be changed due to traffic or street closures.
- **Be very careful that you are getting on the proper bus.** Take note of the bus number and what your driver and bus leader look like. Note what the bus looks like and what company it is from. There may be other buses from the same company at the rest stops and in New York City.
- Please be back to the bus departure point a little bit early. Traffic conditions will likely make it so that the bus will only be able to stop for a brief moment to allow loading and will not be able to wait.

Pick-up location is ON 8th Avenue between 50th and 51st Streets. Pick-up time will be \_\_\_ p.m. If you walk through the Rockefeller Center/ Radio City area on your way to the bus, allow at least 20 minutes to get through that one block, as it is very busy. It is suggested that you walk a block around that area. Note the Hampton Inn up the street on the left as a landmark.
