Josiah W. Beatty & James Brown
personally appeared before me the Subscriber
a Justice of the Peace for said County and
made oath that when Mosley alias John
Lee, about 24 years of age the 20 of
Dec last, of a yellowish complexion, a vacancy
between the two upper front teeth, a large scar
on the inner part of his little finger of the
left hand occasioned by a rap-knob - & a small
scar or lump just above the corner of the left
eye - they have known since he was a small
boy, & that they vividly believe him to have
been free born, he having always been con-
sidered and treated as a free born, that
his mother is a free woman, who has been
registered as such by the name of Abigail
Mosley - Given under my hand March 12
