

## NEW Courthouse Walking Tour and 2<sup>nd</sup> Series of Historic Trading Cards

Gary M. Clemens, Clerk of the Circuit Court, announced the release of two new publications. A new Courtyard Walking Tour brochure is now available at the courthouse and various places around Loudoun County. It is the companion brochure to the African-American History at the Loudoun County Courthouse brochure released in February.

A second round of our highly successful trading cards are available in the Historic Records Room. This year's selection includes cards about Charles Hamilton Houston-Civil Rights Leader, Flora Edds-Edds Dairy Farm, the Aldie Mill Lot, Vital Records-Marriage Bonds, Indentured Records-Richard Guider, Free Black, and Vital Records-Birth & Death Records.
