(1) Project contains both age-restricted and non-age-restricted units. The figures in this table only reflect the age-restricted units.

(2) Falcon's Landing is approved to demolish 10 SFD and 28 SFA units. As of June 30, 2022, 3 SFD and 6 SFA units have been demolished, which is why the remaining number of units shown for SFD and SFA are negative.

Note:

The project approved number of units reflect the total number of age-restricted units approved per rezoning, except in cases where the project has an approved site plan or subdivision. In those cases the approved number of units per those legislative application types is reflected.

Residential Structure Type Category Definitions:

Single-Family Detached (SFD): A dwelling that is not attached to any other dwelling by any means.

Single-Family Attached (SFA): Dwelling units in a variety of attached configurations, including townhomes, duplexes, triplexes, and quadruplexes, where each unit has their own ground floor external entrance.

Multi-Family (MF): A building containing multiple dwelling units. Multi-Family dwelling units are commonly referred to as "garden style," "mid-rise," and "high-rise" condominiums/apartments, as well as stacked townhomes, one-over-tvos, and two-over-tvos.

Group Quarters (GQ): A Group Quarter (GQ) is a place where people live in a group living arrangement. Examples include nursing homes, congregate care, college dormitories, homeless shelters, and detention centers. Note: Independent-living age-restricted units are not considered group quarters. They are classified under the typical housing types of SFD, SFA, and MF.
