RE: Important Information—Price Changes

Dear Mr. Dragosz,

All of us at Comcast are committed to delivering the entertainment and services our customers in the community rely on today, and the new experiences they will love in the future. As we continue to invest in our network, products and services, the cost of doing business rises. One of our largest costs, and one that continues to increase, is the fees we pay to programmers so that we can continue to offer the best in entertainment, news and sports. As a result, starting December 20, 2018 prices for certain services and fees will be increasing, including the Broadcast TV Fee and Regional Sports Fee. Please see the enclosed Customer Notice for more information.

While some prices may increase, we continue to invest in technology to drive innovation. We are working hard to bring our customers great value every day and exciting new developments in the near future, including:

- Talk to the X1 Voice Remote to navigate content
- We offer the first talking TV guide for those with visual disabilities
- Netflix, YouTube, Pandora, and Sling TV and more apps are available on X1
- We continue to make customer interactions simpler with more all-digital tools as an alternative to visiting a store or calling.
- Speed upgrades allowing us to offer the fastest Internet speeds to the most homes in the country
- Control of home WiFi from anywhere, on any device, with xFi
- 19 million Xfinity WiFi hotspots available nationwide

We know you may have questions about these changes. If you need any further assistance, please contact Marie Schuler, Director of Government & Regulatory Affairs at (703) 567-4488.

Sincerely,

Important Information Regarding Your Xfinity Services and Pricing

Arlington, Fauquier, Loudoun, Prince William, Reston, Spotsylvania, Stafford

Effective December 20, 2018

We hope you are enjoying your Xfinity services.

I am writing with some important information about your Xfinity service.

As families and homes rely more on technology, we're working to bring you better and more reliable services. We're improving our products, strengthening our network, and investing in technology. We're always working to provide the programming you value and enjoy, whether it's on TV or streaming on your smartphones, tablets, and laptops.

Programming fees—the fees networks and broadcast stations charge us to deliver programming—continue to rise. These are among our biggest expenses, along with the cost of always improving our products and services. Though we absorb many of these costs, some must still be passed through to customers. As a result, your price may increase starting with your next bill.

We understand that price increases are never welcome. While some fees may be going up, we hope you see your services improving as well.

I know you have choices when it comes to service providers, and I appreciate that you chose us. From our products to our people, we're committed to delivering experiences you'll love.

Thank you for being an Xfinity customer.

Sincerely,

Mary McLaughlin
