

12-04-18 Service Change Notification

Good afternoon,

The attached letter contains important information regarding changes to XFINITY TV programming.

Star India, a network of Indian television channels, has notified Comcast that, effective January 5, 2019, it will cease offering the following linear television channels to Comcast and other video programming distributors in the United States:

- Star Bharat
- Star India Gold
- Star India Plus
- Vijay

As a result, these channels will be removed from our line-up effective that date. We are also notifying our impacted customers of this change.

Please feel free to contact me if you have any questions.

Sincerely,
