

MEMORANDUM  
COUNTY OF LOUDOUN

DATE: February 21, 2020

TO: Department and Agency Heads

FROM: Tim Hemstreet, County Administrator

SUBJECT: Action Report of the February 19, 2020, Board of Supervisors Transportation and Land Use Committee Meeting

A recording of this meeting is available via the following link:  
[02-19-20 TLUC Meeting](#)

Please work with staff to address the Transportation and Land Use Committee's (TLUC) action as noted in the Action Report from the meeting on February 19, 2020.

Supervisor Turner announced that Supervisor Umstatted has been appointed as Vice Chair to the Transportation and Land Use Committee.

INFORMATION ITEMS

1. Zoning Ordinance Rewrite Project Plan (Countywide)

Alaina Ray and James David, Planning and Zoning presented a project plan that lays out steps for revising and/or replacing the Revised 1993 Loudoun County Zoning Ordinance to implement the *Loudoun County 2019 General Plan* and include other updates to modernize and simplify the ordinance, streamline processes, leverage opportunities, and address challenges.

The full discussion can be viewed via the following weblink:

Staff Contacts: Steve Torpy, Parks, Recreation, and Community Services

3. Intersection Improvement Program Overview (Countywide)

Bruce Johnston, Eloisa Thring, John Thomas (JT), Jim Zeller, Laura Ghosh, and Mark Phillips, Transportation and Capital Infrastructure presented an overview of the Intersection Improvement Program. The Intersection Improvement Program provides funding to initiate one to six intersection improvements each year based on the size and scope of the needed improvement.

*Committee Requests:*

Supervisor Turner requested staff to provide which intersections listed in table 3 of the item have been through study and which have been through design.

The full discussion can be viewed via the following weblink:

Staff Contacts: Laura Ghosh & Joe Kroboth, Transportation and Capital Infrastructure

4. Sidewalk and Trail Program Overview (Countywide)

Bruce Johnston, Eloisa Thring, John Thomas (JT), Jim Zeller, Laura Ghosh, and Mark Phillips, Transportation and Capital Infrastructure provided an overview of the Sidewalk Improvement Program. The Sidewalk Improvement Program provides for planning, design, right-of-way acquisition, and construction of improvements for approximately three to five miles of sidewalks and trails per year.

*Committee Requests:*

Supervisor Glass requested that staff provide more information on how the missing links for metro coincide with sidewalk and trails.
