***RE: Important Information—Update Regarding Price Changes***

Dear Franchise Administrator,

In November 2020, we provided you with information that as of December 20, 2020, prices for certain services and fees would be increasing, including the Broadcast TV Fee and the Regional Sports Network Fee. Due to a reduction in the 2021 costs associated with providing certain broadcast stations and regional sports networks, we will be lowering the monthly charge for the Broadcast TV Fee and Regional Sports Network Fee effective February 20, 2021 to account for our carriage costs for the entire year. The Broadcast TV Fee will decrease from \$19.45 to \$18.95 and the Regional Sports Network Fee will decrease from \$9.95 to \$9.90 in your community.

We are providing notice of these changes to customers through bill messages and their billing statements will reflect the adjusted decreases in the monthly fees.

If I can be of any further assistance, please contact me at 410-497-0365.

Sincerely,

A handwritten signature in cursive script that reads "Andre S. Fountain".
