Re: Programming Advisory

Dear Franchise Administrator,

As part of our ongoing commitment to keep you and our customers informed about changes to Xfinity TV services, we wanted to update you that effective December 17, 2021, Fuse will be added to Digital Preferred, and FM will be added to the Sports Entertainment Package.

HD service and IP-capable equipment are required to view the channels. A limited number of customers may still have older devices that do not support these channels and will not be able to view them until the devices are replaced.

Please feel free to contact me at 410-497-0365 if you have any questions.

Sincerely,
