RE: Important Information—Update Regarding Price Changes

Dear Franchise Administrator,

We recently sent you a letter noting that as of December 20, 2022, prices for certain services and fees will be increasing, including the Regional Sports Network Fee. Due to a subsequent reduction in the 2023 costs associated with providing certain sports networks, the overall monthly charge for the Regional Sports Network Fee will be lower than stated in the letter. The Regional Sports Network Fee will be \$12.35, not \$12.40. We are providing notice to customers through bill messages and their billing statements will reflect the adjusted decrease in the monthly fee.

Please feel free to contact me at (410) 960-1566 or Christopher_Mulhall@comcast.com if you have any questions.

Sincerely,
